

Johnson Inc.'s Scholarship Program

Building on our History of Supporting Customers and Communities

For many Canadian students, the jump from high school to post-secondary education signals a thrilling transition into adulthood. Along with the excitement and independence, however, come new responsibilities like paying for tuition, textbooks and basic daily essentials.

At Johnson, we understand the challenges faced by students during their pursuit of higher education, and we are proud to offer scholarships to help them achieve their dreams. Since 1998, Johnson has awarded scholarships valued at more than \$1 million to support young Canadians coast to coast in pursuing their post-secondary education.

Annually, we are pleased to offer **50 scholarships** worth **\$1000** each to children and grandchildren of Johnson's affinity group members and home and auto insurance clients.

Students applying for the scholarship, must be completing high school and beginning post-secondary education in the fall.
