Vision

A community where every student has access to all of the enriching opportunities school life offers.

Mission

We support DSBN students by engaging the community to provide needed funds and resources where government funding is not available.

Through our donors we

- provide support to students in financial need for basic necessities and extra-curricular activities
- provide annual student awards and bursaries
- support progressive programs and services in our schools that enrich students’ educational experiences
- provide innovative community initiatives
- manage designated gifts in accordance with donor specifications.

Values

Caring - a passion for equal opportunity is at the heart of our work

Purposeful - we are committed to making a difference in our community

Relationships - we act with honesty, respect and transparency

Message from the Chair of the Board and Executive Director

The Foundation enjoyed considerable success during the past year as we pursued our vision: *“A community where every student has access to all of the enriching opportunities school life offers.”*

Our organization is guided by four strategic directions to achieve this vision and enhance our capacity to support DSBN students. These directions are:

**Strengthen relationships
among key partners**

**Strengthen board
governance**

Financial growth

**Effective and efficient
allocation of resources**

This annual report highlights the many events and activities undertaken by our dedicated staff, board members, volunteers, donors and other supporters whose dedication and hard work underpins our success and progress. On behalf of the staff and Board of Directors, we extend our sincere thanks to everyone for your ongoing generosity and support. Enjoy this report, and please be sure to follow us on Facebook and Twitter for the latest news about the Foundation.

Cindy Paskey, Executive Director
Darrell Neufeld, Chair of the Board

2014/2015 Highlights

Responded to **feedback from DSBN survey groups** by aligning the Foundation's strategic directions with the expressed needs of DSBN students and schools

Established a **Planned Giving Program** in partnership with the Niagara Community Foundation, focused on the goal of long-term financial support to DSBN students and school programs. Donors decide on areas of support and impact.

Launched a **new website**, providing up-to-date information and convenient navigation

Launched a **new video** to communicate our donor appreciation and impact

Launched a **new logo** and updated all communications materials

Created a **Student Bursary Fund** for students attending the DSBN Academy with the goal of providing financial support to students with significant financial barriers to pursuing post-secondary education

Created a **Volunteer Program and diversified our fundraising efforts** made possible through an 8-month position funded through an Ontario Job Creation Partnership Grant

Volunteers donated **more than 1,200 volunteer hours** – helped at fundraising events, writing, sharing expertise through Board of Director and committee involvement

Supported DSBN School Programs through **matching in-kind supporters to specific programs and/or schools** in areas of athletics, arts, basic necessities

Student Financial Need

...helping individual students when they need it most

School personnel apply to the Foundation on behalf of students who are in financial need. Some examples of areas that qualify are nutrition, personal care products, needed shoes and clothing, necessary medication, reasonable field trip fees and post secondary school application fees.

Student Financial Need Distributions for 2014/2015

541 students supported in 2014/2015!

“

Words can't really describe the joy these brand new items brought to so many of our students. One girl in Grade 2 wears her new coat all day long. She has never received an item with a tag on it or a coat that actually fits and isn't several sizes too big. And that is just one example! It was very touching to see and we really appreciate the support of the Foundation!

-DSBN Teacher ”

Glasses for Classes

Partnering with local organizations and school personnel, we provide DSBN students in need with access to free glasses.

Special thanks to generous donors who ensure eligible students have the eyeglasses they require.

Scouts Program Forestview Public School

This program went beyond my expectations. Lasting relationships have developed through the Scout Leaders and my students. The Scout Leaders have become “grandparents” to my students. The smiles on both their faces when working together have truly made a lasting impact.

The Scouts developed a program that focuses on authentic real-world activities to help my students in life and prepare them for the future.

-Ms. McBride

Prom Project Niagara

Since 2009, many community volunteers and businesses have joined together to support Prom Project Niagara. Available to all Niagara students attending prom or graduation, head to toe formal wear is provided through community gifts of gently used or new prom dresses, suits, shoes and accessories. Free hairstyling, dry cleaning, tailoring and other services are included!

Many thanks to our volunteers who hosted Prom Project Niagara:
Cheryl Keddy-Scott and the ReGift Depot
Kelly Kendrick and the Kinette Club of Fort Erie
All of the volunteers at the Thorold High site

Volunteer Spotlight

Josh Juhlke

Josh Juhlke, Marketing & Communications Specialist with PenFinancial Credit Union, speaks with pride about the company for which he works. "PenFinancial is a company that stresses community involvement and one that has strong ties with community organizations." PenFinancial is the lead sponsor for the Foundation's Prom Project Niagara event.

Josh enjoys Prom Project, serving on the committee and actively lending his help before and on event day. Josh notes, "It is very exciting and rewarding to see the culmination of the efforts of so many supporters and volunteers come together on the one day and to interact directly with so many excited young people."

Swim to Survive

A grant from the Lifesaving Society provides funds for all DSBN grade 3 students to learn vital swimming skills. We partner with local aquatic centres and transportation providers, giving our students the best learning experience possible. Made possible through all of our partners, this program is free for our students.

2,316 Grade 3 students learned lifesaving skills!

Scholarships, Bursaries, Endowment Funds

The Foundation ensures donor designated funds are administered in accordance with donor specifications. DSBN schools and students benefit from:

- Carol Leppert Fund for Winger Street Public School
- Carrol Leppert Fund for Steele Street Public School
- Ed Mirynech Fund for Connaught School and a bursary awarded to a Connaught School Graduate

Endowment funds held at the Niagara Community Foundation help with future student needs:

- Poverty and Emergency Relief Fund to fund student essential needs
- Education Foundation of Niagara Fund to fund program requirements

The Foundation grants a \$200 scholarship to an eligible graduate from each of the DSBN secondary schools.

*Anne Mirynech and Connaught Public School
Principal Kelly Diiorio*

Anne Mirynech & Connaught Public School

Connaught School has a special place in Anne Mirynech's heart. It was the school her late husband Ed attended from 1936 to 1945. When Ed died in 2004, Anne and her family knew the impact education had on her husband's life, and wanted to honour his roots in a special way. A Planned Gift made by the family in Ed's name, was gifted to the Foundation.

Planned Giving

...a wonderful way to help our students in a manner that is most meaningful to you

Our Planned Giving program officially launched. Through it, donors can establish a named charitable fund, using their own name, the name of a family member, or another name that lets the donor remain anonymous. Funds can be added to at any time, either by the donor or others.

Fund disbursements are made in accordance with donor specifications. Options are limitless! A school, program, bursary or scholarship can be designated. Or, existing endowment funds that help provide basic necessities and extra-curricular activities for students who need financial help are available.

Thanks to Planned Gifts like the Edward Mirynech Fund for Connaught School, future generations of less advantaged students will be empowered and supported in their education "It feels great to support local youth and the community in this way. I know Ed would be proud." says Anne.

Welcome to

Public School

Sara Greves Bursary Recipient

Sarah Greves is this year's recipient of the Edward Mirynech bursary. She's thrilled the money helps finance her education at Brock University where she studies Psychology. "I couldn't believe I was chosen, it helped pay for my first year and made a difference" said Sarah.

Donor Spotlight The Pen Centre

Rick Woodward, Marketing Director and Tina Dienesch, Marketing Co-ordinator have been active supporters of the Foundation's Winter Warmth Campaign and annual Breakfast with Santa. Rick and Tina take the approach of. . . "Don't say no. Let's just see how we can make it happen." They attribute the active involvement and generosity of The

Pen Centre to the general managers over the years, who foster a culture of community commitment among its employees and the many retailers who readily join in to support these events.

After all, it does not always take just a village to raise a healthy and happy individual . . . sometimes it takes a little help from "Our Mall".
