Message from the President of the Board

On behalf of the Foundation’s Board of Directors and dedicated staff, please accept my thanks to our many donors, volunteers educators and community partners. Together, we experienced another year of progress towards our 2015-2018 strategic directions:

- Financial Growth
- Effective and efficient allocation of resources
- Strengthen relationships among key partners
- Strengthen board governance

We are pleased that growth in revenue has provided increased levels of help to students throughout the DSBN. Our Student Financial Need Fund provides basic necessities to students in need. The help provided is specific, addressing the individual needs of each student.

Fiscal 2016-2017 saw the introduction of many new bursaries, as outlined on page 13 of this report. It is gratifying that with the support of donors like you, the Foundation is now able to help graduating students as they transition to a post-secondary education. Additionally, with your support through events, campaigns, planned and annual giving, the Foundation achieved new highs - supporting more students through Prom Project Niagara, supporting the new Greater Fort Erie Secondary School Centre for the Arts, opening a new line of support to the Young Parents program, and securing new funding for the Alternative Education programs.

Achieving our vision of a community where every student has access to all of the enriching opportunities school life offers requires the combined efforts of all of us! We thank each and every donor, volunteer and partner for your commitment to DSBN students in their daily lives.

Your help and financial support matter greatly!

David Robitaille,
Board President

Glasses for Classes

A child’s academic success needs proper eye care. Children who cannot see the board, focus on a picture or follow words in a book may struggle to achieve their full learning potential. Studies have shown that 80% of learning comes directly through vision.

Special thanks to generous partners who ensure eligible students have the eyeglasses they require.

Swim to Survive

Thanks to an annual grant from the Lifesaving Society, all grade 3 DSBN students learn what to do should they fall in a large body of water as well as other vital swimming skills. We partner with local aquatic centres and transportation providers to administer this program free of charge for our students.

2,347 Grade 3 students learned lifesaving skills!

Dear E.F.N. Swim to Survive is important because it gives you exercise and Swim to Survive is really fun. We Kids learn new things and we learn how to use a life jacket safely. Swim to Survive teaches you how to swim. Swim to Survive is really fun. Every year people that are in school should have swim to survive lesson.

Donor Spotlight

Johnson Insurance

Johnson Insurance has been a proud sponsor of the Education Foundation of Niagara since 2007. In a world that often values profit and material objects over relationships and family, they believe in putting people first. They enjoy sharing their beliefs and values with the younger generation, in hopes of having a positive influence on their future.

Johnson supports students in the Niagara community by supporting the Education Foundation of Niagara. Through Foundation events such as the Golf Classic, Beat the Brainiacs Trivia Night, and Prom Project Niagara, Johnson Insurance has been able to support and witness the positive work being completed by the Foundation.

“At Johnson, we believe in doing the right thing, for our customers, our people and the communities where we live and work. Making a positive difference is part of who we are and we are delighted to support organizations with similar beliefs, such as the Education Foundation of Niagara.” - Brad Gajria, CAIB, Senior Consultant, Johnson Insurance

Thank you, Brad and Johnson Insurance, for being Foundation Champions!

Donor Spotlight

Pat Hicks and Newark Neighbours

Pat Hicks has always had a heart to help those less fortunate. A retired teacher from the Toronto area, Pat became involved with the Foundation through the Newark Neighbours Thrift Shop in Niagara-on-the-Lake. This organization provides donated formal wear and shoes to Prom Project Niagara and is also an event sponsor.

Former Newark Neighbours president Bonnie Turner expressed a desire to provide bursaries to Niagara-on-the-Lake students. Pat, together with Cindy Grant and Liz Kloze, approached the Foundation. This led to four \$2,000 bursaries from Newark Neighbours to help graduating DSNB students from Niagara-on-the-Lake with their post-secondary education. She and Mary Ann Novaco also volunteered at Prom Project Niagara, helping young ladies choose the right dress for their prom or grad.

Thank you, Pat and Newark Neighbours, for being Foundation Champions!

With gratitude we acknowledge our 2016/2017 Donors

...together we help change the lives of children

Feeling included by being able to participate in the pizza lunch or attend a \$20 school trip. Feeling warm because you have winter clothing. Feeling cared for, knowing you won't be hungry all day because healthy snacks are available for you at school. Dreaming of a bright future as you apply to post-secondary education.

Feelings of security, opportunity, hope and deep gratitude are inspired through your gifts.

Thank you for caring. Thank you for sharing.
